

And you shall separate Bnei Yisrael from their contamination. (15:31)

The word *o,rzvu*, you shall separate, from contamination is derived from the word *rzeb*, crown. The crown distinguishes its wearer from the masses. The *Sfas Emes* explains, that similarly, *Bnei Yisrael* distinguish themselves by separating from the moral contaminants which abound. It is the true hallmark of *Bnei Yisrael's* majesty that they rise above earthly contamination in order to devote themselves to serving Hashem. Those who dedicate their lives to this endeavor are truly worthy of Hashem's crown.
